

# Realise your Investment Dream...

attend the

## 1<sup>st</sup> USA - NIGERIA Business Forum

The Forum amongst others will:

- Provide a platform for the presentation to American corporate and public policy makers on the wide array of investment opportunities in Nigeria
- Provide a platform for the discussion of ways in which these opportunities can be realized
- Allow participants meet their strategic interests by providing networking opportunities and avenue for the development of bilateral investment possibilities
- Provide opportunities for the one-on-one negotiations with potential investors.

The Forum will focus on the following sectors:

- |                         |                                 |
